

Presentation to Grocers with beer, cider & wine authorizations

September 29, 2016

This presentation aims to provide interested suppliers/agents with information about making wine products available to the LCBO's grocery customers. Some of the presentation deals with product eligibility requirements that are set out in Ontario Regulation 232/16 (which is available at https://www.ontario.ca/laws/regulation/160232). Nothing in this presentation changes any contents of the Regulation and if there is any inconsistency between the contents of this presentation and the Regulation, the Regulation governs.

Today's Agenda

- 1- New rules & regulations
- 2- Roles & responsibilities
- 3- Product catalogue and ordering
- 4- Order fulfillment, delivery, receiving and invoicing
- 5 Mandatory weekly reports
- 6 Resources and next steps
- 7 Q&A with LCBO team

1 - New Rules & Regulation

Regulatory Framework

Ontario Regulation 232/16 Sale of Liquor in Government Stores

https://www.ontario.ca/laws/regulation/160232

In this regulation you will find:

- Definitions
- Restrictions on type of beverage alcohol, package size, alcohol content
- Product display requirements
- Hours of operation
- Restrictions on promotions, loyalty programs & advertising found here

Product Definitions

CIDER

Wine produced from apples or pears, or from the concentrated juice of apples or pears, to which is added herbs, water, honey or sugar

CREAM WINE

Alcoholic beverage made from wine and added milk ingredients

MALT BASED COOLER

Alcoholic beverage that is produced from a base of malt blended with juice, water, carbon dioxide or flavouring and that does not have the aroma or taste commonly attributed to beer

QUALITY ASSURANCE WINE

Wine (not cider) that is designated as meeting the quality control standards of a statutory appellation of origin regime that certifies, in the aggregate, < 50M litres of wine (no cider) annually

VQA WINE

Vintners Quality Alliance wine as defined in the Vintners Quality Alliance Act, 1999

WINE BEVERAGE

Wine-based cocktail or alcoholic beverage that is produced from a base of wine that may have added to it flavouring or flavouring preparations, juices, colour and sugar that does not have the aroma or taste commonly attributed to wine and that is available in a spritis-based version

Product Parameters

Beer & Cider

- Alc content ≤ 7.1%
- No malt based coolers

- No container > 750ml
- Pack size ≤ 6

Wine

- Alc content ≤ 18%
- ≤ 4 Litres in size
- No cream wine

- No wine beverages
- Subject to grocery floor

Wine Grocery Floor Price

| Size (ml) | Floor Price |
|-----------|-------------|
| 375 | \$5.90 |
| 500 | \$7.60 |
| 720 | \$10.65 |
| 750 | \$10.95 |
| 1000 | \$14.05 |
| 1500 | \$20.15 |
| 2000 | \$25.90 |
| 2250 | \$28.75 |
| 3000 | \$37.90 |
| 4000 | \$49.35 |

Manufacturer Definitions

Small Brewery

- Worldwide production < 400,000 hectolitres of beer
- Every affiliate of the manufacturer that manufacturers beer in the preceding production year was a small brewer

Small Cidery

- Worldwide production < 25,000 hectolitres of cider
- Every affiliate of the manufacturer that manufactures cider in the preceding production year was a small cidery

LCBO Product catalogue will identify manufacturers that meet size definitions

Manufacturer Definitions

Small Winery

- Worldwide sales < 200,000 litres of sales in last 12 months
- Every affiliate of the manufacturer that manufacturers wine is a small winery

Mid sized Winery

- Worldwide sales < 4.5 Million litres of sales in last 12 months
- Every affiliate of the manufacturer that manufactures wine is a mid-sized or small winery
- Manufacturer is not a small winery

LCBO Product catalogue will identify manufacturers that meet size definitions

Beer, Cider & Wine Display Requirements

- Wine displayed in a single contiguous display area
- Beer & Cider displayed in a single contiguous display area
- At least 10% of total containers of beer & wine on display is BEER
- At least 10% of total containers of beer & wine on display is WINE
- At least 20% of containers of beer on display manufactured by SMALL brewery
- At least 20% of containers of cider on display manufactured by SMALL cidery
- At least 10% of containers of wine on display manufactured by SMALL winery
- If VQA WINE sold must have one or more signs indicating availability of VQA wines

Beer & Cider & Wine Display Requirement

- At least 50% of wine containers on display must contain wine produced using grape from single country & at least ONE of:
 - Quality Assurance wine; OR
 - Wine produced from SMALL winery; OR
 - From a country that produces less than 150M litres of wine annually from grapes grown in that country

Additional Eligibility Requirements...

- Grocers cannot have financial interest in a brand or trademark of wine offered.
- All products must be **made available to all grocers**; no exclusive products nor private label brands.
- No retail-level discounts or rebates for multiple package buying.

Shelf price = Uniform price

Product pricing:

- The retail price for beverage alcohol sold to the public will be as determined by suppliers.
 - Pricing is communicated and administered by the LCBO
 - Pricing will **be the same** through all retail channels
 - Retail price includes container deposit and applicable taxes
 - Retail price is to the **nearest nickel** (i.e., \$15.15, \$25.00)
 - Price changes are communicated to store operators seven (7) days in advance

2 - Roles & Responsibilities

What we are involved in ...

- 1. Business-to-Business wholesale transactions
- 2. Access between suppliers and grocers
- 3. Listing and order flow
- 4. Financial processing
- 5. Fulfillment facilitation

What we aren't involved in ...

- 1. Targeted consumer marketing
- 2. Product category management
- 3. Grocer sales & marketing plans
- 4. LCBO sales and promotions
- 5. Determining wholesale product mix

STORE OPERATORS

NISS

INTERNAL SYSTEMS

GROCERY
MANAGEMENT
SYSTEM

Information
suppliers submit in
NISS is used to list
the products
available for sale to
store operators.

Enterprise-wide platform used by the LCBO and its partners to manage aspects of product listings, inventory, ordering, fulfillment, and transactions.

Online system which provides store operators view all products available for sale and place orders.

Eligible product catalogue by authorization type:

- Emailed by end of day, tomorrow, Friday September 30
- Format is an excel file with all product attributes to populate systems, finalize assortments and plan shelf space
- If a product is not on the catalogue it is because it does not meet eligibility or operational requirements at this time

Eligible product catalogue by authorization type:

- Critical to use LCBO's product catalogue as source data to populate your systems
- Before placing initial orders we strongly suggest cross referencing September's excel file to GMS product catalogue download to ensure product attributes have not changed and to account for any items added or removed

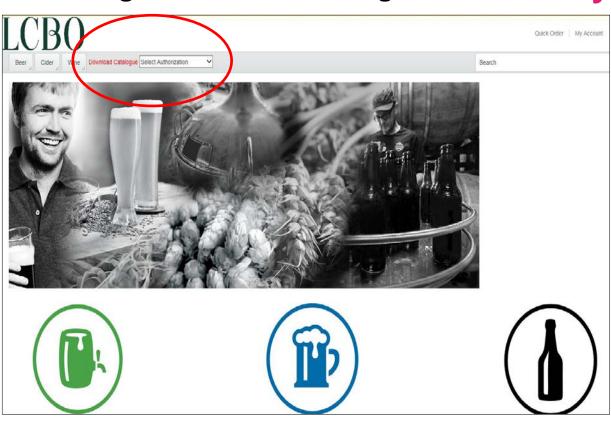

Initial orders and preliminary demand forecast:

- To assist us in understanding your launch plans and inventory requirements an excel template will be emailed to you with the product catalogue
- It is optional, but should you wish to provide feedback on initial order quantities and preliminary forecasts please do so by end of day Friday October 7

GMS catalogue online & ordering live: Tuesday October 18

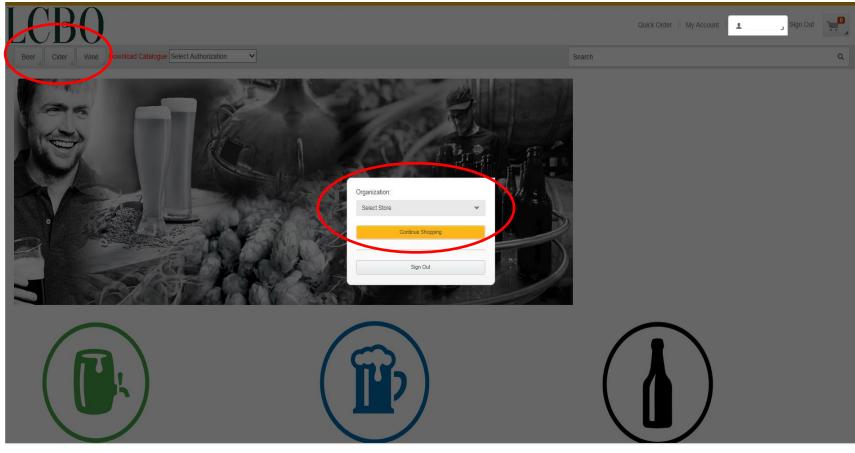

Download catalogue in excel or CSV file

1st legal selling day: Friday October 28

Store operator sign in: configured to authorization type

Shipped Status

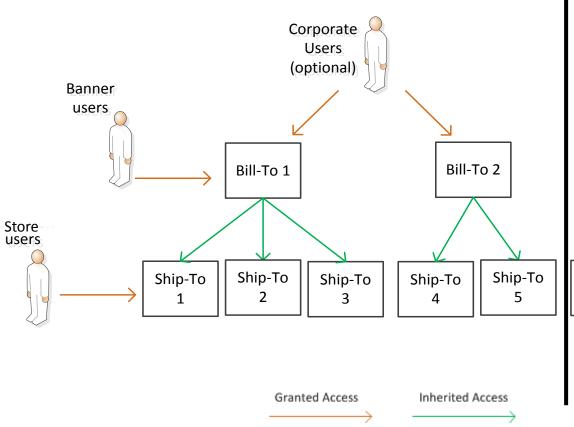

GMS user access

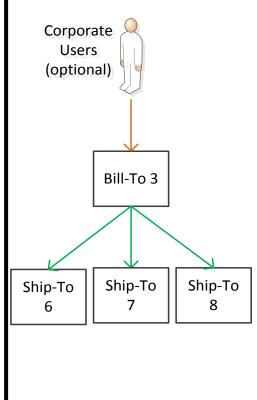

- GMS allows for three (3) types of users to access product catalogue and view/place orders:
 - Corporate level: multi store and banner access
 - Banner level: multi store access
 - Store level: single store access
- Corporate and banner level users can have access to view invoices in GMS, if requested

GMS accounts

GMS set up

- Existing grocery customers will be contacted to update current user information
- New grocery customers and new stores to existing customers require user set up in GMS prior to ordering
 - Details at end of presentation

EDI capabilities

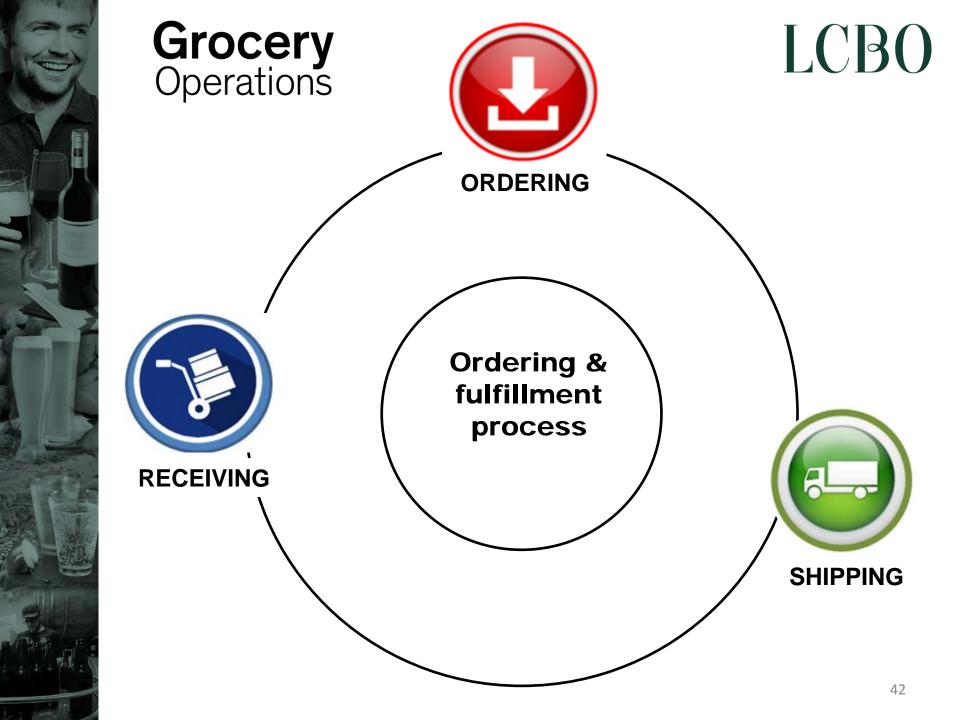

- Initial orders are placed manually (except for those grocers currently transmitting orders electronically)
- GMS has EDI capabilities to accept orders from store operators electronically
- Grocery Operations IT can organize working sessions with you to scope EDI requirements for implementation in 2017

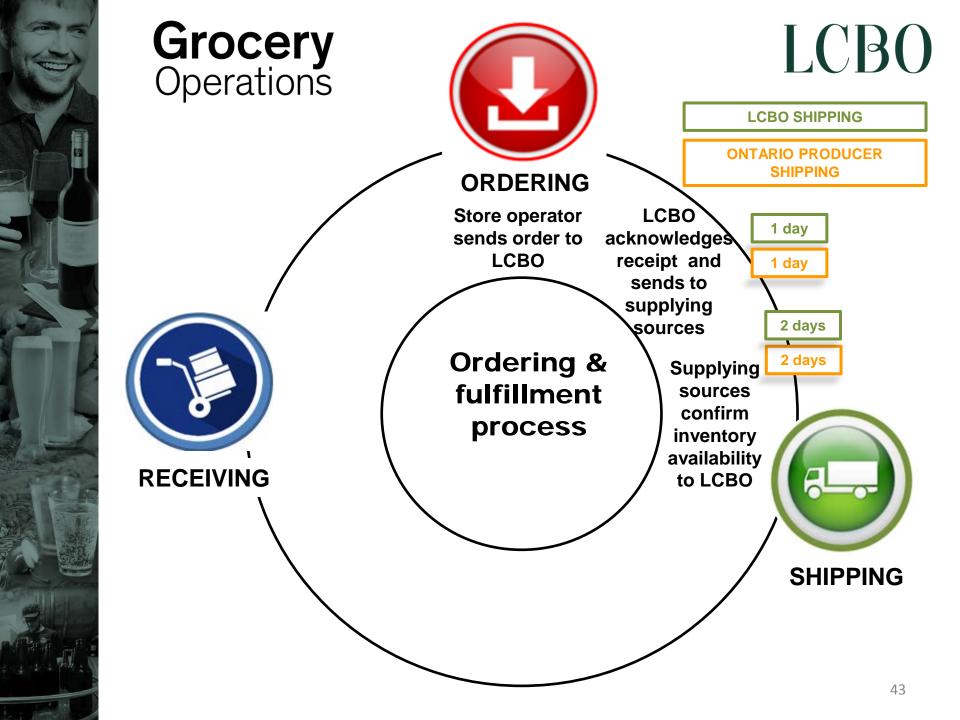

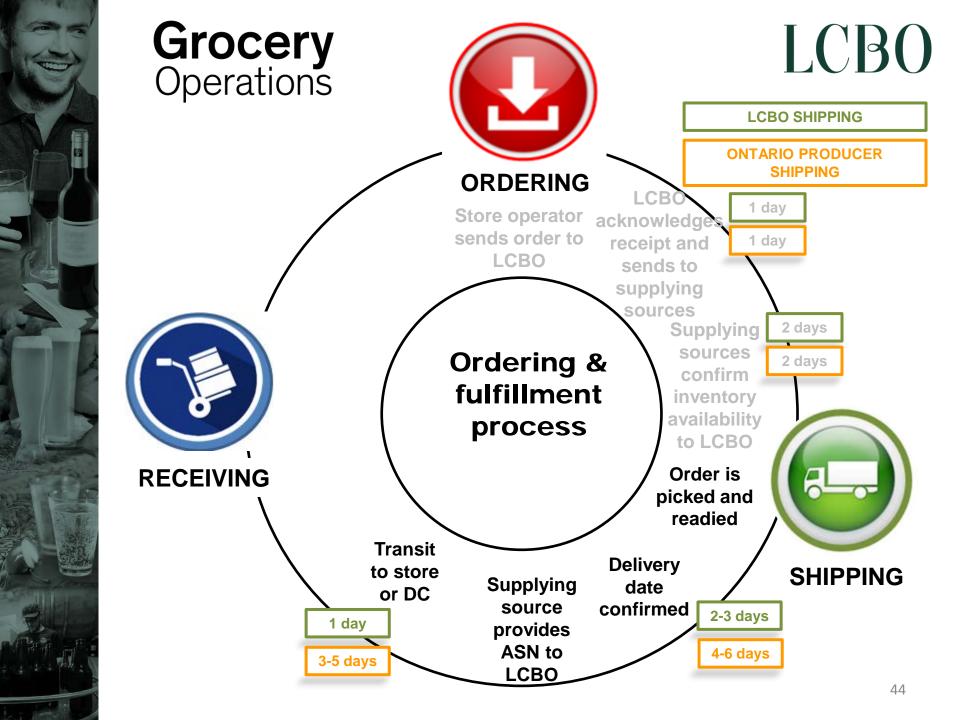

LCBO

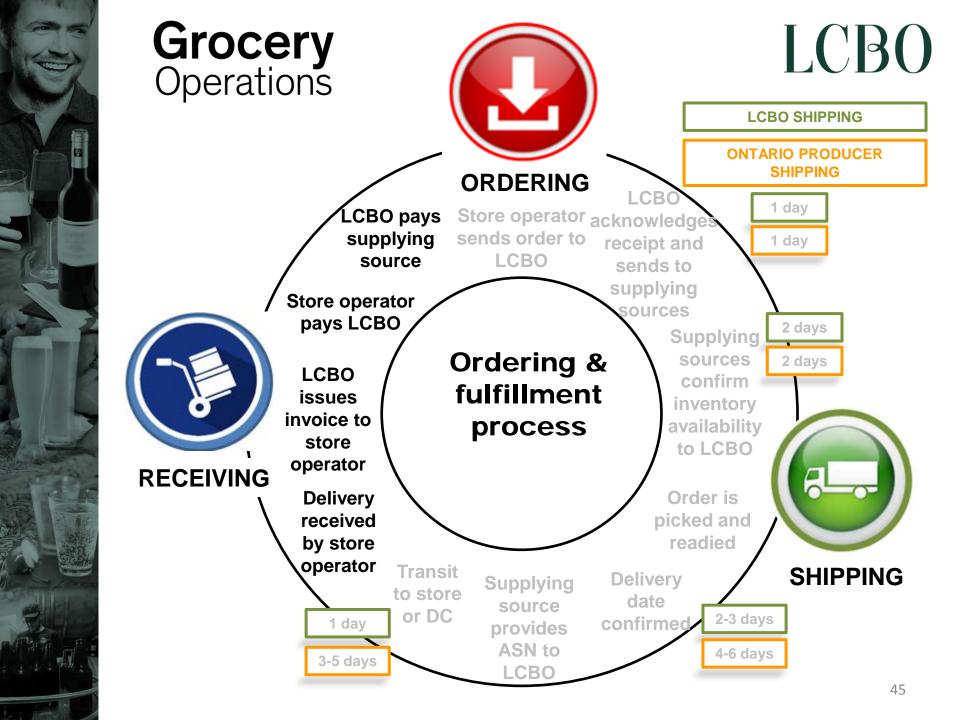

4 - Orders, fulfillment, delivery, receiving and invoicing

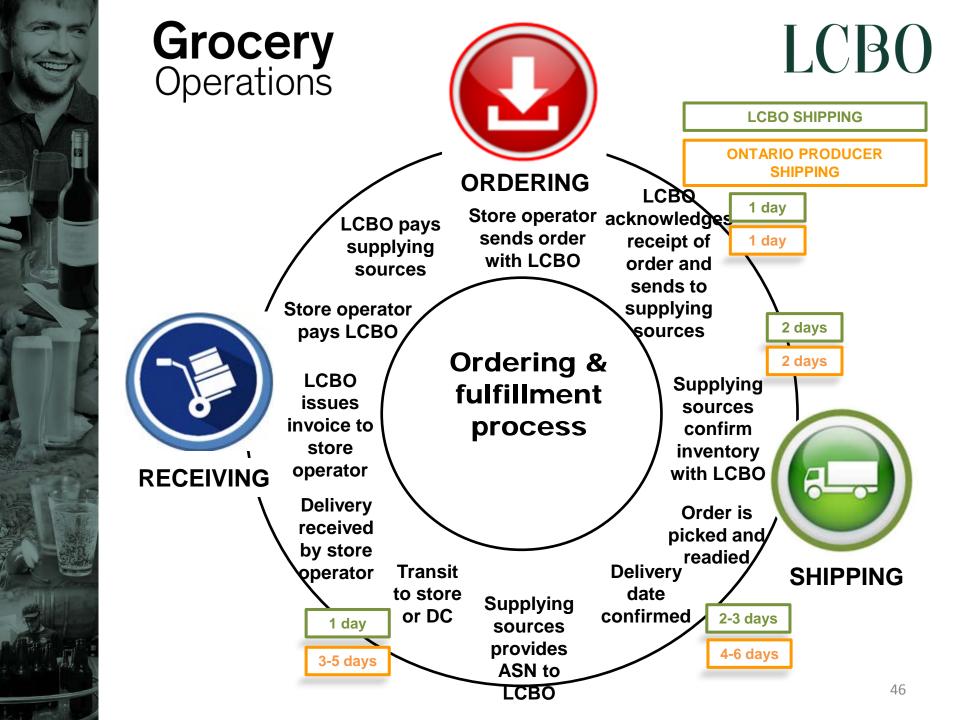

Time required from placing to receiving order:

LCBO and TBS: up to 7 days

Ontario Manufacturers: up to 14 days

General delivery guidelines

- Products will not be delivered
 - in quantities greater than the purchase order,
 - be backordered,
 - be substituted by other products to top-up an order or replace unavailable product
- Supplying sources cannot attempt a second delivery for products that were originally unavailable

General delivery guidelines

- A packing slip and Bill of Lading (BOL) must accompany each shipment
- No refusal of order errors (refer to Claims & Returns process)
- No refusals for time of day delivery; no appointment times for LCBO deliveries to individual store locations

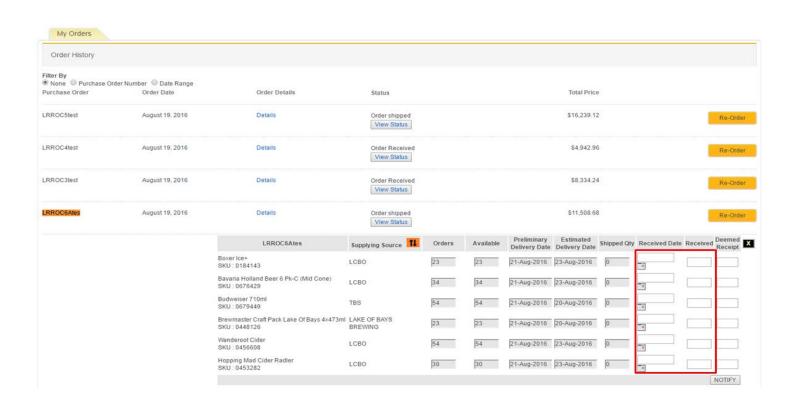

Receiving

- Receipts due by noon every Tuesday for orders received during the previous week (Sunday to Saturday).
- Include zero receipts
- Two options available to store operators to record receipts:
 - Online directly in GMS, or
 - Submit excel spreadsheet

Receiving Option 1: Online directly in GMS

LCBO

Receiving Option 2: Submit excel spreadsheet

LCBO

WEEKLY RECEIVED SHIPMENT REPORT

| Store Operator Name: | |
|---|--|
| LCBO Customer Number: | |
| Delivery receipts for the week ending (Saturday): | |

Email completed reports to wholesaleservice@lcbo.com by 12:00pm Tuesday. Please save file in the format WeeklyDeliveryReceipts-name-WeekEndingDate.xlsx

Delivery Receipt Details

| Delivery Receipt Details | | | | | |
|--------------------------|-----------|------------------|-----|-------------------|-------------|
| Store No. | PO Number | Received Date | sku | Cases Received | Reason Code |
| | | | | | |
| | | | | | |
| | | | | | |
| | | | | | |
| | | | | | |
| 1 | | | | | |
| | | | | | |
| | | | | | |
| | | | | | |
| | | | | | |

Instructions

Store No.: The LCBO-generated store number where the product was delivered/received

PO Number: The customer's purchase order number.

Received Date: The date the products were received.

SKU: The LCBO product SKU number received.

Cases Received: The number of cases of the item received.

Reason Code: The reason for any shortages/discrepancies, i.e. breakage

Deemed Receipts

- Deemed receipt will take effect:
 - If receipts are not submitted by noon Tuesday deadline and Estimated Delivery Date entered by supplying source(s) falls within the previous week
 - Based on shipment quantities entered into GMS by supplying source(s)

Reconciliations

- Grocery Operations will complete a weekly reconciliation of customer receipts against supplier shipments
- LCBO may request copies of proof of deliveries (PODs) from store operators
- Invoice adjustments will be issued where necessary

Invoicing

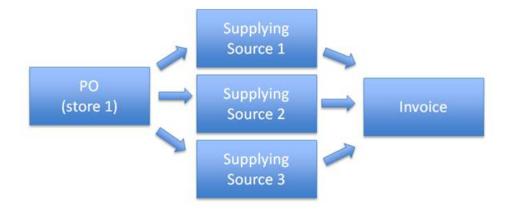

- Completed weekly based on weekly receipts
- Two invoice options available to store operators:
 - One invoice per Purchase Order, or
 - One invoice per Split PO/delivery
- Confirm your choice of invoicing method before ordering commences, otherwise you will be defaulted to Option 1

Invoicing Option 1: One invoice per PO

- One invoice will be generated per store, per PO; invoice will contain products from multiple supplying sources/deliveries.
- If deliveries span across multiple weeks, you will receive multiple invoices relating to the same PO.

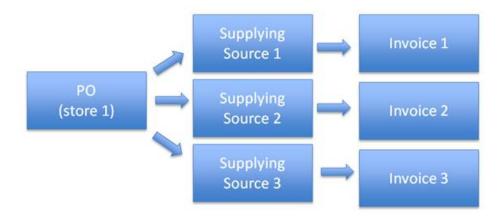

Invoicing Option 2: One invoice per Split PO

- One invoice will be generated per store, per PO, per supplying source/delivery.
- This is the most granular level which will result in the largest number of invoices as it is tied to each shipment.

Promotional sales

- Customer will be credited back for items sold during a promotional period
 - LTO
 - Super sale
 - Wine deal of the week

Returns & Claims

- Process in place to account for returns and claims including, but not limited to:
 - short shipments
 - damaged product
 - recalled product
- Refer to Section 7 of Policies & Procedures Manual for Authorized Store Operators for details and timelines

5 - Mandatory weekly reports

Receipt Report

- Receipts due by noon every Tuesday for orders received during the previous week (Sunday to Saturday).
- Two options available to store operators to record receipts:
 - Online directly in GMS, or
 - Submit excel spreadsheet

LCBO

Sales Report

- Due by noon every
 Tuesday for all sales
 from previous week
 (Sunday to Saturday)
- LCBO SKU or UPC accepted as of Nov 1

Contact Us

Welcome to the Grocer information site

This website is a dedicated resource for selling beer in grocers in Ontario. Information and forms can be found for (1) suppliers to grocers, and (2) grocery operators.

For our customer facing web presence, please visit LCBO. Other trade resource information may be found at our trade resources site.

Background

In its April 2015 report, Striking the Right Balance: Modernizing Beer Retailing and Distribution in Ontario, the Premier's Advisory Council on Government Assets recommended that the government authorize qualifying grocery stores to sell beer to the public. In the 2015 Ontario Budget, Building Ontario Up, the government announced it would proceed with this recommendation and subsequently introduced regulatory changes establishing the LCBO as the wholesale supplier of all beer, domestic and import, to authorized grocery stores.

3 – Submit Grocery Management System (GMS) IT Access form

Grocery Operations **LCBO**

GROCERY MANAGEMENT SYSTEM (GMS) IT ACCESS FORM For Authorized Store Operators

Store operators may request a maximum of three (3) users per location. The Grocery Management System (GMS) provides for three types of users:

Corporate Level User: This level enables the user to manage all stores and all banners at the corporate level and view and download the product catalogue. The user has multi store access to create and view purchase order transactions, receive order notifications, enter receipt details and view and download invoices.

Banner Level User: This level enables the user to manage all stores under the banner's level and view and download the product catalogue. The user has multi store access to create and view purchase order transactions, receive order notifications, enter receipt details and view and download invoices.

Store Level User: This level enables the user to manage a single store and view and download the product catalogue. The user has single store access to create and view purchase order transactions, receive order notifications and enter receipt details.

ALL FIELDS MUST BE TYPED. THE FORMWILL NOT BE PROCESSED IF HAND-WRITTEN

| ORPORATE LEVEL INFORMATION: Required f | praccess to levels. |
|---|--|
| Corporate Name | K 195 195 197 197 347 347 347 347 347 347 347 347 347 34 |
| Contact Name | Telephone Number |
| BANNER LEVEL INFORMATION: Required for ac | and to be a series of a through a block |

| STORE LEVEL INFORMATION: Required for access | to single store, otherwise leave blank. |
|--|---|
| Store Name | Store Operator Number |
| Contact Name | Telephone Number |
| Address | |

Following completion of steps 1-3:

- An LCBO Store # will be assigned to each authorized location
- LCBO will collect delivery location and receiving requirements
- GMS usernames and passwords will be emailed

Important Notes:

- Grocery Operations IT freeze from October 12th October 28th, 2016 for any changes not related to wine launch
- Delivery plans for each store will be communicated by grocery operations before Oct. 18th
- Communication Package to be sent 1st week of October highlighting upcoming changes to process and systems
- Beer Price increases effective Tuesday November 1, 2016 details to follow and posted on grocery website.
